

LUCA CARACOGLIA

Short Course: "Fundamentals of Wind Engineering"

Monday, november 23, 9.00-11.30 AM, Hall 3

Tuesday, november 24, 2.30-4.30 PM, Hall F

Wednesday, november 25, 9.00-11.30 AM, Hall 1

Seminar: Recent Investigations on the Aeroelasticity of Slender Structures: "Good" Wind versus "Bad" Wind

Thursday, november 26, 10.00-11.00 AM, Main Hall

LUCA CARACOGLIA

Associate Professor
Department of Civil & Environmental Engineering
Northeastern University, Boston, MA, USA

info: prof. Ilaria Venanzi - ilaria.venanzi@unipg.it

Lectures will be delivered at the Engineering Hub, Via G. Duranti 93, Perugia
